Dated when we were 12. Lol been friends ever since. You could be a pain in the ass sometimes and i could be a bitch. That NEVER once stopped the friendship we had. I just talked to you. Now i will never be able to again. I was suppose to come over and bring the baby, that you wanted to steal. Wish i had a pic of you holding her when she was little. She still has her \$2 bill from her Uncle Leo. It's in her piggy bank. We could talk about anything, bitch at each other for whatever reason but it never affected our friendship. I listened to you, you listened to me. I can't believe this is real. Im gonna miss your crazy voicemails. Ill never ever forget you or the friendship love that we had. Rest easy, Leo. There will always be a hole in my heart. Im going to miss you very much. Love you, my longest friend!

“ Father, I pray for the Sutphin,Painter family's and others in there circle of family and friends who are grieving They're hurting for many reasons, and I ask You to help them through this season of loss. I reach out to You, the Father of compassion and the Source of every comfort, asking You to touch them with Your unfailing love and kindness. Be their God who comforts them as they're going through their struggles, and bring them through the tough things ahead. Come alongside them in their pain, and strengthen them so they'll one day be able to help others who face the same struggles

You're close to people whose hearts are breaking, those who are discouraged and have given up hope. May You who see their troubles and grief respond when they cry out.

When they're hurting, help them find their joy in You, for it's Your joy that will be their strength. Help them to trust You as their God of hope. Fill them with Your joy, peace, and hope by the power of the Holy Spirit. Help them experience the love, joy, and peace that are the results of His life in them, no matter what they're going through. May they sense Your presence in this hour of need. In Jesus' name, Amen..
