

Leon C Lynch

January 10, 1952 - November 23, 2020

Leon C Lynch, 68, passed away suddenly on Monday November 23, 2020. A long-time resident of Pemberton Township, Leon proudly served his community both as a volunteer firefighter and as a member of the New Jersey Forest Fire Service.

After his retirement from Parks & Forestry in 2002, Leon was able to dedicate more time to his family as well as the model trains that he had been collecting since childhood. In addition to his train collection, Leon was also an avid builder of models (specifically military airplanes and helicopters).

Leon is survived by his wife Tina, his daughter Krystal, and his granddaughters Cheyanna and Kaellyn. He will forever be remembered affectionately by numerous friends and extended family.

“ *Dad,*

I just have no words. You were my constant when I grew up. The man I measured every other man against. I will love you forever. I will miss you for always.

“ *So sad to hear of Leon passing. We went to school together. Since then we have run into each other through the years and it was always a good conversation. May you rest in peace Leon. My sincere sympathy to his family*
