“ *Dearest Juan and Family;*  
*Lee was always bigger than life to me. She was such a great cook, such a great organizer, so extremely talented and loved with her whole heart. When I first met her upon moving to Hainesport from Texas, she scared me. When I got to know her I fell in love with her and we became the best of friends. She helped me in so many ways at the church with the ladies group and at the Friends of Don Street Breakfast and Craft/Garage Sale. When we moved back to Texas, Lee and Juan were our first visitors from NJ. Every time we came to town she made us a great dinner(especially her enchiladas!!!!). Pete and I were planning to visit this year and had made plans to visit her at the facility. Juan and family, isn't it wonderful to know we'll see her in heaven, with that up to something smile of hers and her beautiful blue eyes once again sparkling!!!!!!! We love you Lee!!! *Lee loved her waffles with strawberries and lots of whipped cream! She always ordered this when we went to breakfast after church service. Lee always ate every last bit of it!*
