“ *We will truly miss you, Leo! My family John, me, my children, Hans, Megan and Kristine all loved him. What a beautiful and fun person he was to have around. We had many good times together traveling to Estes Park, Evergreen, Colorado Springs, Taos, Leadville all in Colorado and the list of places goes on. I considered him a part of our family.*

I raise my glass of wine and toast to his life and his love of life!

Goodbye dear friend!

“ Dad,
I feel so honored to have you as my father. You were always there for your children with unconditional love. Your zest for life and wit made everyone enjoy being around you. Taking our trips to see your sister, made you so happy and those memories will be cherished. Your qualities and attributes are too numerous to mention. I cannot find the right words to properly express my gratitude and love.##imported-begin##Betsy Mroczkowski##imported-end##

“ Dad
You were a source of wisdom, strength and inspiration for me throughout my life. Whenever I felt sad I could always count on you to give me the insight and perception to see a situation from a better perspective. You lived to 91 years old but your spirit was eternally young never complaining, always ready to forgive and willing to listen to new ideas with an open mind. Though you have gone to better place to see Mom, your family and friends I am comforted to know that your spirit will always be near to your family still left behind. Whenever I walk in the woods I will think of you. Whenever I watch the History Channel I will think of you and whenever I drive to Washinton Crossing, NJ I will think of you. I love you now and forever.

Love,

“ I am so sorry to hear of Leo's passing. I really enjoyed when him and Jimmy came in for dinner. He was a very sweet man. We would talk about books we read. I know he was reading "The Girl with the Dragon tattoo" a while ago. I wonder if ever finished it. Your family is in my prayers, and know that he will be truly missed at Carollo's. “ In honor of my dear grandfather,thank you for your wisdom, your stories, your patience, and love. I will forever remember you taking me for a long walk in the woods. It was a place of peace and beauty. I will forever carry the fond memories of our walks in the woods with me. When I venture into the woods you will be with me and I will smile to know that your presence is around me. I will miss you dearly, but I am blessed to have so many beautiful memories to keep you close to me.###imported-begin###Elaine Gurley###imported-end##
