

Leslie Samuel Dillon

June 12, 1932 - January 24, 2024

Beloved brothers and sisters, we gather in the light of our Lord to honor and celebrate the homecoming of a true servant of God, Leslie Samuel Dillon, known affectionately to us all as Les. Born on the twelfth of June, 1932, in the humble town of Burlington, New Jersey, Les was a beacon of the Lord's love from the very start. It is with a heavy yet hopeful heart that we announce his peaceful departure to join his wife Audrey, family and friends, and be with our Heavenly Father on the twenty-fourth of January, 2024. He departed from the warm embrace of Sebring, Florida, after a courageous battle with a terminal illness.

Les was a man of unwavering faith and boundless kindness, attributes that shone brightly throughout his life. A proud veteran of the Navy, he served his country with honor and dignity before heeding a higher call to serve the Lord as a minister. His devotion to his faith was as steadfast as his love for his family. He leaves behind a legacy of love through his sons, Thomas and Steven Dillon, who will carry forward the torch of their father's wisdom and compassion.

Les was a man who cherished the simple joys of life. His passion for sharing the Lord's word was matched by his love for the intricate beauty of model trains—a pastime that reflected the careful attention and patience that he practiced in every aspect of his life.

His was a life lived in service—to his country, to his family, and above all, to his Savior.

He has fought the good fight, he has finished the race, he has kept the faith. Now, a crown of righteousness awaits him, which the Lord, the righteous Judge, will award to him on that Day—and not only to him but also to all who have longed for His appearing.

May we honor Les's memory by emulating his love, his kindness, and his wisdom in our own lives. Let us rejoice, for our brother has gone on to glory, and though we will miss him dearly, we are assured that one day, through the grace of God, we shall meet again on those golden streets where parting is no more. Amen.

Friends and relatives are invited to attend his viewing from 9:30am-11:30am on Wednesday January 31, 2024 at Perinchief Chapels, 438 High Street, Mount Holly, NJ 08060. Funeral services for Les will follow the viewing at 11:30am. Interment and military honors will follow the service at the Brigadier General William C. Doyle Veterans Memorial Cemetery at 1:30pm.

“ I love that I was blessed to have the chance to get to know Les in his latter years while at Maranatha Village in Sebring. He was a wonderful man to visit with and you could tell he had the light of Christ in his life. Praise God for Les and now He has another saint to join Him in heaven.

“ We are thankful to have known Les and Audrey. There is no question that they had a heart for God! Les preached for our church several times, and I was always blessed by the messages the Lord led him to preach. He was also an encouragement to me personally! I loved seeing his model trains and hearing his stories from his years in ministry and also from his time in the Navy! God used the life of Les Dillon greatly, but Les’s humility and gentleness (although sometimes he could get riled about new trends in some churches) would often conceal the fact that he was a great leader used by God in great ways. I thank the Lord for the certainty of knowing that Les and Audrey are rejoicing together now in the presence of their Savior Jesus Christ! Les would want everyone to know His wonderful Savior as their personal Savior as well. One of his favorite Bible verses was Romans 10:13, which says, “For whosoever shall call upon the name of the Lord shall be saved.” Les would be trilled if someone would place their trust in Jesus Christ as their personal Savior through the celebration of his life! Much of his life’s mission was comprised of freely giving out the good news of the gospel of Jesus Christ. Please receive that good news that he consistently preached. His preaching and his life story sure made a difference in my life. My family and I will be praying for Les and Audrey’s family in their time of loss.

“ My pleasure to have spent many holidays and visits with Audrey and Les, as they often stopped to visit with John on many occasions when he was ill. Also many holidays with my niece Diane as we celebrated the Christmas holidays. May he Rest In Peace, as he joins Audrey. Carole Bentley
