“ Dear David and Family,

I wish to convey my deepest and sincerest condolences to you during this time of your loss. The tribute of your love for Linda that you shared is a very beautiful testament of your love and life together. My family recently experienced pain in the loss of a loved one, and we can sympathize with the pain you are going through.

I want to share with you words of encouragement, which is that we are called to remain faithful and to stay awake for signs from heaven, for Linda (and our loved ones who passed) just may be an angel in our midst when we least expect it. Continue to stay connected in your family circle of love and bring comfort to one another during this difficult time.

Our family will continue to keep each of you in our prayers.

“ *In memory of my wonderful Aunt Linda! With many,many miles between us, the feeling of your love and happiness went the distance. With so many years gone by, is now the tears in my eyes. You always tried not to cry when we had to say goodbye, but now I cry because this is the last goodbye! Forever & Always we told each other "I Love You with All My Heart!" You would say "Joshua Don't you change a thing!" Now as my ears ring ,your the angle that sings all those things! So far from here but now your there! Your worst fear was being alone but, now your home! Home sweet Home! Aunt Linda your the best Aunt anyone could ever ask for! You'll be loved Forever and Ever Amen!*

“ *My lovely Linda,
I love you and miss you so so much. I am so proud of how you fought this disease these past 8 months. Your strength and courage were extraordinary. Every day you vowed to get better and every day you exhibited that positive attitude that not only impressed us but also your doctors and nurses. Thank you for the 28 years we had together. You were a beautiful wife, a loving mother and the best friend I could ever hope for.
Too young, too soon!
You will ALWAYS be in my heart!*
