“ I had the privilege of meeting Linda and her family and am so sorry to hear of her passing. In the short time that I knew her she always made me smile. I could just tell that she was a loving and caring person. I loved her Boston accent. Thinking of her family, especially Tina as I got to know her also. Linda will be missed.

“ A beautiful and loving woman. Her spirit was rare and that Boston accent was a staple to all who loved her at IKEA. She was not just a Supervisor but, a caring person who true to her team. She stood aside each as an individual and the first to Champion growth. She became a friend/family which is the best way to Honor Mrs Linda. May her family find comfort in us who cherish her life and will always uplift her memory in her love of Mr Mac and sharing each of you all memories with us was just a Smile to her face when she spoke on y'all. Brandon and Ryan, she loved seeing you both play in sports. Dori, Tina and George, our heart and prayers will be with you. Tyler and Julianna, she was proud of you following in your grandfather path of service to our country. God bless, The Vance family.

Linda was a joy to know and work with. She always went above and beyond as a supervisor. I am blessed to have had the opportunity to work with her. Our customs department in New Jersey was truly like a family, we all gave our best. I have never worked in a department that had team work like that before. Linda will be missed but never forgotten. Linda will truly be missed. She was without exaggeration the best supervisor I ever worked with. I knew right away after she retired that I wouldn't be far behind her in leaving IKEA. She was the glue that held the team together. My deepest condolences to the family in this difficult time of loss. I pray for Gods peace and comfort in this time of loss.
