“ *Lois was a wonderful colleague and friend...very, very sad. I spoke to her on our yearly phone call on Janice Lutz's birthday in October. She sounded great! I have fond memories of Lois including our Girls' trip to Ocean City, Elizabethtown, PA, and her trip with Janice to our home in Pinehurst, NC. Truly blessed she was in my life.

“ So blessed to have Lois as a special friend since 6th grade. Lois was always well liked and had such a great sense of humor. She was smart, multi-talented, creative, generous and kind , plus never too busy to help everyone in their time of need. Her home, meals and quilts could have been featured in “Good- Housekeeping”. Always know how much she loved you all. She was so proud of her family. Our love and prayers are with you.

“ When I joined the Lumberton Township School District 37 years ago, Lois was already there, holding it all together in the main office. She was a smart and caring lady, extremely organized and well acquainted with the special stories and unique needs of the many people in her school. Through her own brand of TLC, Lois touched the lives of more students than I could hope to count. I'm sure her influence stayed with them into adulthood. Her memory will be held close in the hearts of many who had the good fortune to know her.

“ *Lois was amazing. . She was the secretary at the Walther School when I first started teaching there in 1985, I was in my early 20s. Being a new teacher Lois was always so kind and patient. She also had a great sense of humor and was always there if I needed help or if I needed a kind word and on those rough days a hug. She will be missed.*

I work at the wawa on lumberton and developed a friendship, we met when i was pregnant with my son, she would always ask me how i was feeling and how the baby was growing.
