“ *I worked directly with Jean from 1998 until her retirement. Right from the beginning a friendship began. Jean was a loving and fun person. She so adored her family and her friends. Jean will be missed by everyone. Even though we didn't talk all the time, it was great communicating with her now through facebook. RIP Jeanie Beanie.*

To Al and her family.....Jean and I were best friends since 1960 when we met at Western Electric in Columbus, Ohio. I loved this girl like a sister. I will miss her the same way. I believe she is going to look after all of us in the same way she always did. Jean was a wonderful person. Her family meant the world to her. You are deeply missed Jean. Love you, Sandee Trupp
