“ *Yarn is a diamond in the rough, waiting just to shine. This home made blanket is warm and tough, and stands the test of time. It should be used, played with and washed and soon you will see why this blanket was made for you, with caring hands, from ME!  
Aunt Lorraine we love you!  
YOU will be missed!  
Our love and prayers to the family!

“ Grandmom, although our visits were too far apart, I cherished every single one. After my dad died seeing you meant more then ever and the visits more cherish as I could see my dad threw your eyes. And you had great stories to tell about him all the time. Now I hope you take those cherished memories to Heaven and share with my dad. Tell him how his twin boys have grown and he has a beautiful granddaughter that would have loved to meet him. We all love n miss you dearly. Heaven has gained a beautiful angel.##imported-begin##Casey##imported-end##
