“ *When I was just a young SGT in the Army I was very lucky to have a Senior NCO take me under his wing and try to set me on the right path as I was very strong minded and wanted to do things my way as a Drill Sergeant. Louis had the very difficult job of counseling and correcting me frequently but he always did in a way that I felt I had to thank him afterwards. As I aged and went up in the ranks there were numerous times that I would ask myself what would he have done in this situation as a leader and I found myself making decisions that I knew he would have been proud of. He was a man of many talents. A leader you would follow anywhere. It has been years since I have met and chatted with Louis Kinsler but I know that right now he is counseling some young angel in heaven and setting him too on the right path up there. I want to wish my sincere condolences to the Kinsler family and I will always have Louis Kinsler in my prayers. Edward P Lariviere, SGM, USA (RET)*
