

Louise Karen Hirschlein

January 12, 1965 - March 23, 2026

Louise K. Hirschlein, aged 61, and longtime resident of Hainesport passed away after a brief battle with cancer on March 23rd, 2026. She was born January 12th, 1965, to the late Mildred L. Hirschlein and Richard W. Hirschlein in Mount Holly.

Louise graduated Rancocas Valley Regional Highschool. Sometime later had her two children Alicia and Sarah and spent their early years being an amazing, active stay at home mom. Eventually she made the move to Wawa where she amassed many great longtime friends. After a decade long career at Wawa, she moved on to Lowe's building many more relationships. In addition to working at Lowe's, she was an active member of the Hainesport Volunteer Fire Company.

Despite having only two legal children, Louise was a strong maternal figure to many of her young associates and individuals she met through the years who still refer to her as mom. Louise was not a shy woman. She often spoke her mind and perhaps ruffled some feathers along the way but that was simply a part of her charm. She cared deeply for her friends and family and never missed an opportunity to show up and support the people she loved. One of the biggest moments of her life other than becoming a mother was becoming an Oma. Nothing brought her more joy than having a beautiful granddaughter to dote on.

Surviving are her two children Alicia and Sarah Hirschlein, granddaughter Annalie, many cousins, extended family, her many bonus children and beloved friends that loved her so dearly.

Graveside services for Louise will be held on Tuesday, March 31, 2026 at 11am at the Lakeview Memorial Park, 1300 Rt 130 N, Cinnaminson, NJ 08077.

I'm still in shock over this. I've known Louise for many years, but it wasn't until the last 3 or 4 years of working together as Fire Police Officers and doing special assignments/events around the County with the Burlington County Fire Police Association that we became closer friends, sharing numerous conversations, both on the phone and in person, along with some good laughs (and I gave her quite a few, lol). I will miss you my friend! See you on the other side.
