

## Louise R. Menear

October 20, 2010

Louise Rosa Menear was born in Rennes, France on October 22nd to Louis and Marie Plaine. She lived her early life in Rennes with her family, brothers Jean and Michel, sisters Annie and Francoise. Her career began as a bookkeeper at the National Post Office and later as a sales clerk on the military base at Orleans where she met a handsome soldier, her future husband, Ralph E. Menear. Louise moved to this country thereafter and married Ralph. They became devoted parents who sacrificed for their children Dominique, Jean-Michel and Alain, raising them at various military-based locations across the US and Europe. Many summers were spent in France with their extended family enjoying the beach and countryside. She later worked for Community Nursing in New Jersey as a home health aide, a job which she relished. She is survived by her children Dominique (and Ed), Jean-Michel (and Sophie), Alain and his wife Donna and their granddaughter Julia, sisters Annie Violet and Francoise Plaine and her brother Jean Plaine and nieces and nephews. She was a delight to all who knew her and enjoyed rescuing animals, walks in the woods, searching for treasures at flea markets and yard sales. Louise was also very fond of Chinese culture and cuisine. She missed her departed husband Ralph deeply and looked forward to the day when they would be reunited. Her children, family and friends miss her tremendously and will always cherish her memory.
