“ *Joe, Michelle, Frank and Eddie, I worked with your mom when she was employed by Mount Holly Township. She was a very intelligent, kind, caring, compassionate woman. She made beautiful hand-decorated eggs for co-workers at Christmas. These exquisite ornaments are displayed on my Christmas tree every year. May time ease your pain and memories bring you comfort.*

Lucy was a close friend with my sister Sandy Shaw Kinchen who passed over 30 yrs ago. Lucy was a comfort to us. We lived across from the Stackhouses on High St. growing up. I was trying to get in touch with her this weekend and was shocked to hear of her passing. On behalf of all our family we send our sympathy for the loss of this kind and fun spirit. We loved her.
