“ *I miss you so much, Lucy. You have been such a wonderful friend to me, I still can't believe that you are no longer with us. I'll always remember our monthly lunches with Pat and all the laughs that we had together. I pray that you are resting peacefully, you still always had that beautiful smile on your face even when you were going through so much. You were always one of the sweetest and kindest people that I have ever met and I'm so fortunate to have called you my friend. I'll be thinking of you always, Lucy. You will forever be in my heart. I love you my dear friend, Lisa.*

“ Lucy, you will be so missed my sweet friend. I still can't believe you are gone. You were one of the kindest, most sincere and unselfish people I have ever met. With everything that you were going through, you always made sure to ask how I was feeling. I thank God that He blessed my family to have you in our lives. I'm sure you are up in Heaven right now having tea with my mom. She would always tell me that Lucy is my friend too! 😊 Until we meet again. Love you, Steph
