“ Dear Lynn timer,

In case I forgot to tell you.... Thank you for my best friend, thank you for saving me at one point in life, thank you for letting me into your family (as though you really had a choice lol), and most of all thank you for you! Because of you my life is full of some of the best memories and I am beyond grateful. You put up a strong fight, and really looking at it you didn't lose. Your life and legacy gets to continue on through all six of your amazingly spirited adventurous children. Your stories get to be told by your beautiful granddaughters who I'm sure will let all of your future grandchildren know just how cool you were. That sure looks like a win to me! So again Lynn timer thank you for allowing me into your amazing life.

Love always,

Emmy

P.S.- thanks for lighting your hair on fire that time. It still gives me a cry laugh! "I told you I needed a hair cut" hahahaha

“ *Lynda worked for Morrissey Tax service for just one year. We were short-handed that year and she offered to help out! Lynda helped our clients at the front desk by making appointments and assisting them with their paperwork. She would always greet our clients with a gracious and respectful manner and would always place an emphasis on our senior clients as they sometimes would need a little extra care! Here at Morrissey's, we are deeply saddened by her loss! Our thoughts and prayers are with the family.*

“ I remember Lynda as a young girl as our families got together for picnics and visits at Flosse's. She'll be remembered for her courage, the strength she showed trying to fight the cancer, and the deep loved she expressed for her family. Praying for peace and healing as you find the strength to say good bye, who will always be your daughter, sister, mother, grandmother and friend. Sincerely, Terri Linton Sackett
