“ *I was saddened to read of the loss of your loved one. When we lose our loved one in death it is the most difficult time in our life. However, there is loving comfort in Psalms 55:22 to “throw your burden on God and he will sustain you..” Yes, no matter what you are facing God is there to help you get through it. May you continue to have the love and support from family and friends. I sincerely hope that this Bible message brings you*

“ *Marge was a very special friend to my whole family. We were blessed to have been a part of her life and her family for so many years. May she rest in peace knowing how much she was loved by so many left behind. We all gained an angel with her passing.*

“ Marge has been part of our family for a long time...she helped my mom Peggy by making her famous mini cheesecakes for my bridal rehearsal dinner...I started doing her hair 3 years ago...that's when I really got to know her...we talked about so many things but what made her smile the most was when she talked about her kids...grandkids and family...she was so excited to go to Disney with everyone and I heard all about it when she got back...I will miss her and the talks we had...she loved life and was a strong brave woman

“ .On Friday Sept. 11 this family experienced the loss of a Mother, Grandmother, Sister and Partner. She was a person filled with Love for her family. Kind, Caring, and Loving to a fault. There is no way to replace this center of the family. We Love you and miss you terribly.
