“ *"A strong woman is the lifeline of her family. She carries within her the power to endure pain and the courage to sacrifice. She has the power to create and nurture life. She is indeed the epitome of love and sacrifice."*

It would be too little to say I am proud to be Margaret Pfeiffer's granddaughter however I will say that I am. She is one the four strongest and loving women I have been blessed to have in my life. I will forever strive to achieve her strength and generosity.

I love you each and everyday.
