“ *Dear Scott family:*

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ *Dear Mark and Brian,*

So sorry to read of your Mother's death. We had many good times with PTA and all of its activities all those many years ago. She was a hard worker, a good friend, and always ready for a laugh. You will be in our thoughts and prayers in the coming days. Unfortunately we will be out of town Friday so we won't get to give you a hug and encouragement. Fondly, Boots White and Walt Hullings.
