“ To the family of Maria, I am truly sorry for your loss! I am in total shock at this news. My relationship with Maria begin as a business relationship through taxes that transcended into friendship over almost 2 decades. When I didn't hear back from her I searched Google only hoping to find a new address or number, but not that she had transitioned. She was an amazing and energetic FORCE of a woman that I had the pleasure of knowing. Her family was everything and I pray peace and comfort for you all right now.

“ She was such a beautiful soul and person. I was shocked and very hurt by the news of her passing. She was quite a talented and youthful person. This world is a lesser place by her passing. What a loss! If there is a heaven, it will only match the beauty that she was. You are very much missed.

“ *What a fabulous human being! But I'm not saying anything her son's & family don't already know. She gave more than she could ever get in return.*

I already see her fishing inside of the Pearly Gates.

I wish those who loved her peace.
