“ *Maria's passing is very painful for me, and our family. She was the light in the room and her sense of humor was refreshing. Our world was truly a better place because she was in it. Her service to our country was just the beginning. She served others her whole life. Now we are just left with cherished memories, and we are so thankful for them. She will always occupy a place in our hearts. Rest In Peace in the welcoming arms of our Lord, alongside those that went before you. Love you always, Richie.*
