“ *Just came across this sad information from a mutual friend. So sorry for Maria's family & friends. Maria was one of my very best friends in middle and high school. I fondly remember stopping at her house on the walk to school only to find her perfecting her feathered hair while singing to the Purple Rain record. I am saddened that we lost touch after I moved away to Florida with my family. We shall reconnect my dear friend.*

“ My condolences and sympathies to Maria's family and friends. I recently came across this news. I graduated with Maria in 1989. I remember studying chemistry with her junior year and we were together again in physics the next year with Mr Latimer. She was an intelligent and genuine person. I have thought of her many times over the years and that's what prompted me to look her up, leading me to this sad news.

Rest In Peace, Maria.

“ *Maria!*
We went "deep" and really opened up fast your last months on this crazy earth. The prayers,camping,bicycling and just hanging out, singing at the coffee house and many days I stayed over with Shadow and Billy were a blast! You were a fallen angel and now you have your wings back and are in Heaven-God called you home-now I can't drive thru Edgewater Park or Delran without a little tear thinking about you and can't wait to see you again in God's time my close friend!##imported-begin##Dawn McCrink##imported-end##

“ *Maria was a beautiful, loving and caring person. She touched so many lives. She was a great neighbor and a true friend. I am so glad she moved onto our street and we got to know her, her family & her animals. I will always remember her walking the dogs, sitting on her front steps for a cup of coffee and talking and sometimes a good card game or two. To Maria's family our prayers go out to you and will always be with you. If you need anything our door is always open. “ *Maria--words could never describe the deep sorrow we have felt, every waking moment, since we heard the sad news. We speak in the present tense, because you will never leave the place in our hearts where our love for you is permanent. When you come to mind, which is often, it is always the same-a beautiful smile that exhibits your loving kindness. To Chris and Vince, Michael and Marcus-may God sustain you in your time of need. Maria, you have made the world a better place with your presence, and you have made our lives much, much richer to have known you. Rest in peace.##imported-begin##Aunt Allison & Uncle Mike##imported-end##*

“ *To the family, Maria was a very special person to us. My son especially. He has special needs and Maria grew very close to him. Her life was definitely not in vain. She touched many lives despite her deep struggles and sad moments. She still managed to be a friend. She was very important to my little boy..who was looking forward to seeing her during the summer program at his school. We were a few of the people she could "come out of her shell" with. Thank you for giving her life...she will never ever be forgotten. I will miss her more than words can express. My deepest sympathies go out to you all. She always talked of her nieces and nephews and how great her mom was to her. We got to know your family through Maria. I pray that this note finds you at peace and shines some light on what kind of a woman maria was to us. And to Maria...zackary will miss you and will always love you. He will miss you on Monday. Love always, Krista, Ronnie, and Zackary##imported-begin##Krista Sack##imported-end##*

“ *Maria may you rest forever in Gods Arms. An Irish Blessing:*

*May the road rise to meet you,
May the wind be always at your back.
May the sun shine warm upon your face,
The rains fall soft upon your fields.
And until we meet again,
May God hold you in the palm of his hand.*

*May God be with you and bless you:
May you see your children's children.
May you be poor in misfortune,
Rich in blessings.
May you know nothing but happiness
From this day forward.*

*May the road rise up to meet you
May the wind be always at your back
May the warm rays of sun fall upon your home
And may the hand of a friend always be near.*

*May green be the grass you walk on,
May blue be the skies above you,
May pure be the joys that surround you,
May true be the hearts that love you.*
