“ Donna, Barry and family,  
I briefly met your Mom on a quick visit Donna and I made awhile ago to the house. As we were leaving, I commented about the beautiful flower around the lamp post and immediately she shared the details of the beauty with me. I in no way remember the name of the flower but I do remember our joy in sharing the moment. Memories will help the days ahead. You all are in our hearts and prayers. Our deepest sympathy.
