“ Not sure if anyone in her family or friends still reads this. She was a family friend on my family for many years. Every weekend she would visit my grandparents who lived down the street from her. I knew her all of my life and she always "aunt maire" to me. She was the only "aunt" that I had. I saw her recently before her passing witch was unexpected to me and my family.we all miss her so much. I hold onto her cards and pictures and videos. She used to call me "sara maude". Very soon after her my grandparents passed away unexpectedly. Within 7 months I lost 3 of the important people in my life. She was such a wonderful person. I live in my grandparents house now and as much as i love seeing her house, it saddens me to know she isn't there. I miss her terribly.

“ Marilynne has helped with our class reunions ever since we starting having them. We always had a lot of fun planning for these celebrations. We did a lot of laughing and just having a great time. The reunions always seemed to turn at fantastic regardless of what we did. We will miss Marilynne! RIP my dear friend. Until we meet again

Mare was a major part of our lives for over 35 years. For the last 25+ years she stopped by our home just about every Saturday evening about 7:30 and stayed for several hours. It will take quite a while to get used to Mare not being here on a Saturday evening.
