“ *I remember when I was 5 years old, Alex took me and my younger brother Lenny to our first movie. Forty eight years later it is something I will never forget.*

“ *Known to our family as Alex, we are sad to hear of his passing. Alex had a beautiful spirit.
Also sad to see parents (Stina was a lovely person) and siblings listed as predeceased.
May God rest his soul. My work takes me to Bristol, PA--had I known Alex was in the area, I surely would have made the effort to say hello. God bless the family.

PS

My name is Phillip Gail Slade. If your dad had a brother named Booker T. Alston and another brother who also retired from the military. I think we may be related. My dad was Willard Simeon Slade, his mom my grandmother was named Mary Virginia Alston Slade. I last saw Booker T. And his brother at my aunt Zelma's funeral. The last time I saw all three including Marion was in 1989 in Phoenix Arizona at my uncle Thomas Lawson Slade's funeral. Marion told me he had a daughter who was an Asst. District Attorney in Brooklyn. My grandmother had a brother called uncle Finch who lived across highway 43 from them. I was born 9/26/48 and I have lived in Texas since 1950 the year my dad was killed in the military. 214-929-2015. If you are not the Marion who retired from the military like his to younger brothers I am sorry for wasting your time.

“ While Karen and I cannot be with you today for the service, we share your grief. I recall with the utmost fondness how Alex made contact with and welcomed me into my paternal family. He did so with such grace and dignity as to overcome my misgivings about making such a connection. That bond was reaffirmed in our recent conversations. I have been proud to call him my nephew. I regret that I never met the dogs he loved so much and spoke so much about. Best wishes to Alexander and Michelle and the rest of the family. Love, Alfred M. Griffin
