“ What can I say, my dear college friend? You were taken from this  
world too soon. Underneath that "tough guy" exterior, you had a  
heart of gold. Your tenderness and understanding has gotten me  
through many of tough situations. You married my dearest and best  
friend in the whole wide world...and you have made her happy for  
30 years. You were a part of so many crystalizing moments in my  
life and I will never forget you. You were a wonderful husband and  
father and a kind and precious friend. I love ya, Mark...and you will  
surely be missed.
