“ *Tuesday was your birthday and it was hard throughout the day thinking about you Grandma. I miss you everyday and around this time you would be making beef jerky and it's just not the same without you. I need someone to talk to sometimes and I pray to you and God daily. I miss you so much grandma <3 and I just wanted to say happy birthday. I love you* ❤️

“ Dear Mary,

*Our lives are but an hour on a clock. In the first quarter of my life you were my sister at my birth, in the second quarter you became my second mom, my guardian angel, in the third quarter you were my best friend.*

*I will miss throughout the last quarter of my life and hope to see you once again.*

*loving you always,*

*My Aunt Mary she just wasn't a loving aunt who care for her nephews and nieces she also was a loving grandma, sister and mom. I just remember that Sunday I saw u laying on that bed, you tried so hard to hold on. God was calling you home. He needed another angel to help pour out the rain. Tears have fallen, hearts where shattered, but it was time for you to fly home. Your loved ones came to say their last goodbyes, to tell you they loved you, and that you will be forever missed. As your heartbeat stopped, and your eyes slowly closed, God took another angel home. I miss you and you are in better place can't wait to see you again love you.*

“ *Mary  
whose beauty lay in the sound of her laughter, and in each white  
hair and every fine line and within the depths of her soft brown eyes,  
these markers of time that testified to a life lived out loud in joyous  
ways*

*Sweet Mary  
whose grace and quiet strength will play out in my memory as an  
example of humanity done right: kind, generous and full of hope.*

*Generous Mary  
who was not given a life manual, but adjusted to her obstacles with  
strength and quiet resolve, and in this imperfect life she always  
stayed true. She gave generously of time, and spirit and left  
impressions felt deep*

*Victorious Mary  
who lived a full, rich life and laughed a lifetime's worth*

*Mary - Beautiful- loving- generous- victorious Mary*

*her life's song will forever play in our hearts*

“ *My Aunt Mary,  
I close my eyes as I wipe my tears, I just keep wishing you were still  
here. I will hold all my memories deep in my heart. Through these  
memories will never part. I close my eyes as I wipe my tears, I just  
keep wishing this pain would this disappear. I didn't get the chance  
to say my last good bye.  
Love and Miss you dearly!! RIP!!
