“ *Too many precious moments to put down in words. Aunt and friend. Silly stunts we pulled in younger days.... brakes failing, playing slingo online listening to country music, late nights smoking and drinking at the VFW. Saying I will miss you isn't true because you are in my heart and that's where you will stay until we meet again. I love you AM rest in paradise*

“ *"Gods door unlocked. The fog creeped in and surprised everyone. The gentle rain on the sunny day, swept away with a sunshine of empathy. Silent whispers murmuring settlement. Emotions sucked dry, Jewel of life has not been misplaced, but reassigned. A heart of gold, soul of purity, stay strong and fight, you always told me."*
Goodnight mom mom... I love you so much.
Childhood Best Memory- Heating up mom mom at dinner and having her chase me across the house, with me trying to escape by jumping onto my bunkbed. Heheh got my booty smacked.
