“ Thank you, Grandmom

Thank you for being such a constant source of love, strength, and support throughout our lives.

Thank you for every walk to school, every pickup and drop-off, and for never missing a Halloween parade. Thank you for creating your own little “Grandmom and Pop-Pops daycare,” filling summers with love, laughter, daily summer school lessons, and memories through summer camp adventures.

Thank you for never missing a birthday, for sitting through every sporting event, cheering us on no matter the weather or the score, and for making every milestone feel important. Thank you for the everyday dinners, the Thanksgiving feasts, and for making your home a place where we always felt welcomed, safe, and loved.

Most of all, thank you for always being there—no matter what. You listened without judgment, loved without conditions, and told the truth even when it was hard to hear. Your wisdom, honesty, and unwavering support helped shape my boys to the Men they are today.

You loved my boys as if they were your own. You gave them endless hugs and kisses, taught them right from wrong, celebrated their accomplishments, comforted them when they needed you, and filled their lives with the kind of unconditional love every child deserves. The lessons, values, and memories you gave them will stay with them forever.

There are simply not enough words to express how grateful I am to have had you in my life. Your love touched every part of our family, and your kindness left a mark that can never be erased.

Thank you for every sacrifice, every smile, every lesson, every hug, and every act of love. I will carry your love in my heart for the rest of my life, and I will forever be grateful that my boys and I were

blessed to call you our Grandmom

I love you always. Nicole
