“ *Our sincere thoughts and prayers of sympathy are sent your way. Mary was a dear friend, neighbor, co-worker and church member of our mother Lillian Linton. May she be at peace. We know God must have needed another angel and chose this time to select your mother. Sincerely, Terri and John Sackett*

“ I read the obituary about the loss of your loved one and I extend my sincere condolences. At this time you are feeling an unbearable pain, and experiencing a great loss. Psalms 46:1 says, “God is our refuge and strength, a help that is readily found in times of distress.” He will help you get through this difficult time. (Isaiah 41:10) I hope this brief Bible message has brought you a measure of comfort in this difficult time.

“ My memory of Mary was always an intimate one I was her hairdresser that made her look absolutely beautiful, we shared conversations after conversations about her life her friends her family her grandkids and great grands. There was never a time When we were together that she didn't tell me how much she loved each and everyone of you and how special you are to her and she hopes that you all will always keep the Easter egg hunt a tradition. She also shared a lot of secrets that were always so funny we laughed a lot and I was honored to be her hairdresser to know her for the time that I knew her I will truly miss her but I know that the promise we have in God that we will see each other again in heaven. May you all know that you have that peace that we will be dancing in heaven someday bless you and all your family. God bless love Marie.
