“ Will always remember when John first introduced us to Mary on Long Beach Island, NJ at our summer home in Surf City. They were so happy and it was pretty obvious that they had each found their soulmate. We have many fond shared memories of our times together as St. Bonaventure friends and will truly miss Mary's smiling face and warm friendship. Rest in Peace, Mary, and know you will forever remain in our hearts. Carol and John Newman

Mary is my sister in law, but was more like a sister. A special woman of light!

Mary and I were cousins who grew up with a slew of other cousins. While we didn't see much of each other as adults, when I did see her, she was just as beautiful as ever, warm, loving, caring. I was so excited to become friends with her on FB a few years ago. I will miss her postings of her family, her gardens, and things that showed everyone her love of God and deep spirituality. Her light will continue to shine in the hearts of all who knew her.
