“ To Linda, Phyllis, and Janet.

I am so sorry about the loss of your mom. Isn't it strange all the years I knew you and your mom I never knew her first name. I guess because back when we all ways said Mr. & Mrs.

Your mom was all ways so nice to me. she was such a sweet lady. She would pick me up in the morning and take me to school.

Be thankful that you had your mom with you for so many years and were able to be with her and love her.

You were there with her when she passed. Be thankful for that. Just think she is with your dad now and she is at peace.

I miss the old days when we were younger. All the good people are leaving us. It is hard to loose your parents. You think that they will be around for ever and ever.

My prayers and thoughts are with you all.

Love you all
