“ I am so sad knowing you have left all of us, but I know you are in a better place now. I'll always remember you and Jamie jumping the waves and playing in the sand on LBI. I am grateful that I had the chance to give you a hug and I kiss when I flew back home for my Class Reunion and I will always carry you and your family close to my heart.

Love,
Linda, Julie & Jamie

“ Dear Karen, Bob, Bryan, and Adam,
May peace and comfort follow you going
forward.

*Matt lives on in the kindness he has shown,
the meaningful things he has shared, and the

“ As the oldest grandchild I remember all the
orneriness that Matt would get in to. One time
when he was little he bit his own dog. I
couldn't stop laughing! He was always in the
middle of all the mischievous events at Pap
and Grandma's house. Being all together were the best times of our
lives!
