“ *So sorry I couldn't be there to share in your loss. My thoughts and prayers go out to all of his family and friends. Matt was a great friend and more importantly was just a great person! He was always in a great mood, positive and always out to make people laugh and to have a good time. He will be sorely missed. I was looking forward to him moving down to Florida. I'm so sorry for your loss. Words can't describe how I feel. Will miss that laugh and big smile. Rip Matt! We love you!*

You were one of the most fun loving, kind, caring individuals I have ever had the pleasure of knowing. What a huge loss to this world. I will never forget all of our "adventures" and how much fun we've had over the years. I still can't believe you're gone, but I know for a fact there must have been a fight over who was going to welcome you into Heaven first (I hope Robyn won...but my brother cheats...so ya never know!). I love you kid..and don't be afraid of my dad up there....lol. As a Cowboy fan, I even lit a green candle for you and your precious Eagles...if that ain't love I don't know what is. Miss you Mattley. <3 Love you always.

“ *Matty, I still can't believe you've left us Brother.. It's a rare person who had the infectious zest for living that you did,, that always left a room and the people in it happier than when you found them.. We shared a lot of good times chasing our favorite football team around the country so we could watch them lose in locales other than South Philly. The trip to Chicago,, and the debauchery that we indulged in still puts a big smile on my face when I think about it.. :) You left us way too soon man.. Praying for your kids and family..*

It truly is a deep lost to our family and his children. Matt was a great guy and good father. He always made you laugh and feel welcome. I'm sure that Robyn was waiting for him when he arrived. Now they are together again forever. We love you and miss you. Matt when you see Robyn & Aunt Barb and Little Richard tell them hi and that we think of them all the time. LOVE DONNA & JEFF GRIMM

*“ I met Matt in high school, when he was in 9th grade and I was in 10th. Even though we didn't have any classes together, our lockers were right across the hall from each other. He always had a way of putting a smile on anyone's face, always cracking jokes, always the life of the party. I haven't seen him since high school but fondly remember the great times he created simply by being himself. He will be missed by so many. RIP my old friend!*

“ Matt was always smiling and lived in the moment. I know he is smiling now...As we mourn his loss, I can't help think that he has found peace and will now be our angel, and on our heavenly "team". I will remember Matt, with a smile on my face, as I think of all the times we shared, the talks we had, and the parties that we laughed.... Thanks Matt for the memories xox
