

Melissa A. Doron

April 7, 1971 - June 16, 2026

Melissa A. Doron of Medford passed away peacefully on June 16, 2026, at Our Lady of Lourdes Hospital in Camden. She was 55 years old.

Born in Mount Holly, Melissa was raised in Hainesport and was a graduate of BCIT. She had a love for gardening, shopping, and caring for the wildlife around her home. Melissa found joy in feeding and watching the birds and squirrels that visited her yard, and she had a special place in her heart for animals, especially her beloved dogs.

Above all else, Melissa's greatest love was her family. She treasured every moment spent with her children and grandchildren, who brought endless happiness and purpose to her life. She will be remembered for her strength, resilience, caring nature, and the unconditional love she shared with those fortunate enough to know her.

Melissa is survived by her devoted fiancé, Jon J. McIntyre; her children, Stephanie Doron (Joe Arena) of Runnemede, Reba McIntyre (John Casey) of Mount Holly, Alysha Poston (Stephen Poston) of Missouri, Nick Skelton of Florida, Bailey Warner of Pennsylvania, and Jon McIntyre Jr. (Shana McIntyre) of Browns Mills. She also leaves behind her cherished grandchildren: William, Robert, Mason, Ava-Lynn, Connor, Reyna, Lillyana, Wynonna, and Sailor, as well as a granddaughter expected later this year,

Cassandra.

Melissa was preceded in death by her parents, and while her family mourns her loss, they find comfort in knowing she is reunited with them once again.

A graveside service will be held next Saturday. The time and location will be announced as soon as arrangements are finalized.

In lieu of flowers, contributions in Melissa's memory may be made to Cedar Run Wildlife Refuge.

Melissa's love, strength, and spirit will live on in the hearts of her family and friends forever.
