“ *Merv aka("Mervalous") has forever made an impact and touched everyone's life that ever had the honor to know him! He was truly an example of what a Great husband,father,stepfather,and pop pop should be! Whatever goal he set his mind to achieve is absolutely what he did. I only wish I would've had the chance to tell him how much of an inspiration to never give up in life and always strive to do better he was! Mervalous I pray that you rest easy and know that you will forever be missed and how much your family loves you until we all meet again!*
