“ Dear Mrs. Gaskill, Jimmy, Joey, Anne-Marie, and Gaskill family members,

We wish to convey our deepest and sincerest condolences to each of you during this time of your loss of your loved one – Michael. Michael was kind, humorous, caring, a good friend, uncle, brother, and son. It is wonderful and comforting beyond expression to know that on October 20, 2017, when Jesus called Michael to his heavenly home, that our Lord recognized Michael with these promised words, “Well done, my good and faithful servant...enter into my Kingdom prepared for you....”

The best way we can all celebrate Michael’s life is to share the love that he has always shared with his family, friends, and loved ones throughout his life. Let us find comfort in the words found in the Gospel of John 14:1-3 (ESV), and comfort in the promise that Jesus would come back for each of us and bring us safely home:

“I Am the Way, and the Truth, and the Life”: “Let not your hearts be troubled. Believe in God, believe also in me. In my Father’s house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, and where I Am you may be also.”

We, who knew Michael best, have many memories of Michael. Michael was kind, caring, and humorous. Michael was a good friend, uncle, brother, and son to all who knew him throughout his life on earth. Our family remembers the times when Michael would go to Seaside Heights with us each week in the summer. We would all go on the beach and play the arcades for the day and Michael would always bring joy and laughter to everyone. We were always trying to be a match maker between Michael and our family friends. Michael was always a good spirit about our attempts at match making and would just smile at our failed attempts.

Our family loved and appreciated Michael so much! He continuously

displayed in his words and actions such generosity and love of God and love of neighbor. He would call our parents – Paul and Betty – each and every month throughout the years. He always wanted to know how ‘mom and pop’ were doing as well as the rest of the family. Those of us who were home when Michael called would share in the phone calls. Michael was gracious, kind, and genuinely interested in sharing the good news, life challenges, and the fond memories we had with one another.

Many of our fond memories stem from our growing up together in the same neighborhood, playing tag, basketball, watching TV, and hanging out in the Lodge yard. We spent time at each of our homes with our families and shared good times. We were young then and did not realize the impact that our experiences with each other would have on creating fond memories of our relationships. It is only later, when we grew up and got busy with our lives as adults, that we truly realized the impact of our fond childhood memories on each of us. It is comforting to think of Michael in heaven with our Heavenly Father and His son, Jesus Christ and with all the Saints that went on before him. There must be celebration in heaven as Michael is with his loved ones who have gone on before him. We can imagine Michael singing and shouting the “victory in Jesus.”

In our faith we can celebrate Michael’s victory even as we go through the loss of his presence here on earth during this troublesome time of grief and loss. It will help if each of us keep our memories of Michael alive as we continue to celebrate the life of Michael with love, kindness, generosity of Spirit and remember our connection to Michael in “Spirit and in Truth.” We can all remain faithful and stay awake for signs from heaven, for Michael just might be that angel in our midst when we least expect it.

May God bless each of you in your time of grief and sorrows. You are all in our prayers.

Love,

The Cronrath Family

Our condolences go out to the Gaskill family. Myself, Shirlee, my brother Charles and sister Joyce all went to school with Mike. Got in a lot of trouble but had a lot of fun. Mike always seem to have a good head on his shoulders and was the voice of reason so we didn't get in as much trouble as we may have without him there. Our hearts go out to your family.
