“ *When Mike's father, Bob, started dating and married my Mom, Gail, I was still in high school and living with my father about an hour away. I'm pretty sure by the first time I met Mike, we were already step brothers! It's a shame how little time we spent together in the 27 years since. But even so, I always knew Mike was a good man. He loved his daughters and wife, and was around to help Bob and Mom when they needed him. My Mom absolutely loved seeing Mike, Bob and Steve get each other going, each one roasting the next. The world was a lighter place with Mike in it. Melissa, Ashley, Ryan and Kasey - You have my deepest condolences. With God's grace, may time heal the pain you're feeling.*

We laughed and cried hard and I will never forget all the good times we had together. especially in the Finger Lakes tasting wine.
