

## Michael "Mike" J. Pacitti

April 29, 1958 - October 18, 2024

A lifelong resident of Mount Holly, Michael "Mike" Pacitti passed away suddenly on October 18, 2024. Mike was born April 29, 1958 to John and Antoinette "Tootie" Pacitti. He graduated from Rancocas Valley Regional High School in 1977, where he met Leslie Ferrara, the girl he shared his life with. Mike was an avid fisherman dedicated to looking for the top fishing holes, competing for the best catch, and sharing his love of the sport with friends and family. A long-time hunter, Mike was happy being outdoors. He looked forward to opening day hunts, walking the woods and tracking the big one.

Mike spent nearly 40 years cruising around town in a Byer Lock truck where he worked as an alarm technician. He loved spending time with his children and was a very proud Pop-Pop. Mike was constantly on the move, chatting it up with old friends and strangers alike. Always able to get a laugh and a smile out of others. He will be forever missed by all who knew him.

Mike is survived by Leslie Ferrara, their children Cassidy (Corey), Alye (Ronnie), and Michael (Samantha), his cherished grandsons Conner and Nolan, his mother Antoinette and his late father, John. He is also survived by his siblings John (Deborah), David, Ann, and Joan (Stan), as well as nieces, nephews, and countless friends.

Friends and relatives are invited to attend his viewing on Thursday, October 24, 2024 from 5-7pm at Perinchief Chapels, 438 High Street, Mount Holly, NJ. A Celebration of Life service will follow the viewing at 7pm at Perinchief Chapels.

“ Leslie, Cas, Alye, and Michael....I'm so terribly sorry for your loss! So many of my favorite childhood memories include our summers down the shore and us always picking on big Mike or him taking us crabbing or us painting his nails as he was passed out early on the couch!!! He was the best! Love you all and sending lots of hugs and love during this difficult time!

“ Oh Mike you were definitely an og customer at La Vitas i remember the first day i met you at the shop you were the type to make everyone laugh you were such a goofball and you definitely loved that extra sauce for your chicken parm or pizza . As time went on we developed such an amazing friendship that i will forever cherish, we would always talk about anything at the pizza shop and we would crack so many jokes. We would have lunch at the shop. You always checked up on me. I remember how excited you got that I was going back to school i also remember our last conversation you told me to stay out of trouble like always and you told me that I needed to hurry up and finish school so I could be your nurse and take care of you since you were tired of having to go to the hospital . I never looked at you like a customer i felt like your family. May you rest in peace trouble maker I'll see you soon.

“ Duck hunting one morning on the Rancocas. Being a young hunter I received the best compliment from Mike. One came in from left to right 10f off the water and 40yards out. I put up, led it and knocked it down. Mike says in a voice everyone knows, “nice shot Mush”. I’ll never forget that. RIP my Brother.
