“ I know Thomas family, Michael, since I moved to Medford Lakes in 2005. Extremely nice family and good neighbors. I remember the harsh winters with lots of snow in the driveways, and Michael always offering to help to remove the snow for us, his neighbors. I remember him travelling with his paddleboard on his car, or working in the yard. Like all his wonderful family, he's been part of my Medford Lakes experience, and he will always be remembered fondly by us.

Ginny, stay strong, we love you!

“ *Mrs. Thomas,
I am so heartbroken to read about the passing of your son. I can't think of any words to say to you but I do know, without a doubt, that your faith is rock solid. I only met Mike once or twice when you brought him into the bank but I could tell that he was a wonderful man. Please know that you and your family will be in my thoughts and prayers for the difficult days ahead that you will be facing.
