“ My deepest condolences to all that loved Mike, especially his Mom, sister and daughter. I am shocked and saddened by this news. We knew each other since 10 th grade and cared about each other very much. My sons are saddened as well. He loved his family and was an expert in his career. He loved animals and his beloved shepherd named Joker who passed years ago. It is heartwarming to read so many good thoughts on his behalf. Gone way too soon. RIP Mike

“ *My deepest sympathy and condolences to the family in this time of mourning the loss of Mike. In my short time with RRD as Mikes supervisor, I can honestly say his dedication, ethics and honesty were admirable. He was a true professional and an expert at his craft. I was privileged to have a conversation with Mike just days prior to his passing about the joys we shared in life that always seem to counterbalance the hardships. He will be greatly missed by all that had the fortune to work sided by side with him every day.*
