“ *Michael,*

You are truly missed. I was late to find out that you had left our world, but the sorrow for your departure is still there. You were one of the few people that I was able to talk to about anything and I know that the feeling was mutual. I miss you so much. I know that you have not left the ones you cherish completely and that you will always be with us. One day, we will meet again in heaven. Until then, Michael, I will remember you for what you were, a sweet and thoughtful, sometimes secretive, but yet so open. Rest in Peace. You are loved.##imported-begin##Nina Kimble##imported-end##

“ Micheal, you are already missed. I know you were troubled, but I treasured your trust and your friendship. You always managed to bring me a smile, with your rough molasses voice and your flirtatious comments.

Good night, sir, and rest ye well.###imported-begin###Nancy Hedge (Aerys' Covenant)###imported-end###

“ Mike, SWG will not be the same without you there. You were a great friend, always willing to help make someone smile or laugh, and even willing to to help them in some quest or instance. I am going to miss talking to you late at night. I am not going to be able to look at ewoks or bubble dragons the same ever again. My thoughts are with you, rarely does one find someone who is as good of a friend as you.##imported-begin##Kate (Cyrini)##imported-end##

“ Mike, I may have only known you through the games we played, but I consider you a true friend. I could always count on you being there with something to do, or ready to help out with anything. You were always so nice to everyone and had nothing but respect for people who showed it in return. I've known you for years, but I'm very glad I got to know you more as a friend these past few months. I'll miss seeing you online every time I sign on. Rest in peace, buddy.###imported-begin##Luke (Danek)###imported-end##

“ Mike aka "Sex":

"How ya doin babe?"

I am still struggling to accept the fact that you are no longer with us. I will miss your sense of humor and ability to be a straight shooter. I find solace in knowing that you are in a much better place and have found peace finally. I know that we will see one another on the other side, until then you had better enjoy all the time with your dad, Nan, Pop, Jodie and everyone else because you know when we all get there...the chaos and rowdiness will be on and then we will be complete and feel whole again. I will cherish all of our times together. With eternal love, "Hollywood."##imported-begin##Gidget aka ##imported-end##

“ Mikey,
I remember you mostly as a little boy who really loved his PopPop and Nanny. Time has gone by so quickly and suddenly you were all grown up. Life is never easy and when you lose a loved one it makes it so much harder. You have left fond memories for all who knew you. May you rest your soul in eternal peace and may your spirit live on forever.
