“ So many fond memories growing up with the Matullo family living across the street. Gina, you've been my best friend forever. Mike was like a big brother to me growing up, especially our teen years, hanging with "the gang". I always envied you, having an older brother. Those memories are even more cherished, bringing a pained smile to me when I think about crazy things he did (riding his bike straight into Duhernal Lake, like he was riding down a road), to name only one of many.

My prayers are continuous, that he is basking in the glory of God's Kingdom, and for all of you who ache to see your beloved Mike again. May He carry you in the palms of His hands as you go through this painful journey. I love you all.##imported-begin##Diane (Ballotta) Benn##imported-end##
