“ Michelle you were a beautiful, kind and talented soul. I loved you from the first moment I met you and I never lost that. You are beyond missed on this earth already and I will forever miss your laugh, your stories, and your energy. My kids loved you and talk about you all the time still to this day, and we are heartbroken that we have to wait to see you again one day. God please wrap your arms around Lisa and keep her safe through this time. We will forever love you!
