She was also a member & volunteer for Senior Health Link and she was a member of The Memorial Hospital Auxillary and American Federation of Women's Leagues.

Millie developed hundreds of friendships over the years, whether it be

She loved hosting get-togethers at the house. She was the glue that brought the family together. She prepared annual spaghetti and meatball dinners & pancake breakfasts for Tony's wrestlers, she made and delivered pots of meatballs, on many occasions, to friends or family members when they had suffered an illness or loss. She loved spending time with her grandchildren and was very involved in their lives. She attended multiple sporting events and cheerleading competitions. “ To the Petrillo family, Sincere condolences for your loss from Bill and Cheryl Tiffany. My aunt was only 13 when I was born and she took care of me along with my Mom and Grandma. She spoiled me and loved me . We have spent so many years in Ocean City and looked forward to her smiling face and open arms. My kids always enjoyed our times there. May the Lord bless you and comfort you. Love Cheryl.

“ Our hearts and prayers are with you Uncle Tony, Judy, Tony, Liz, Tommy, Linda, Bob, Al, Grandchildren, great grandchildren and family. May God's Loving presence bring you comfort and peace at this hard time.

So many treasured memories fill our hearts of Aunt Milly. To know her was to love her and oh how she radiated love to all! Aunt Milly's heart and kitchen door were always open. We can see her at the kitchen window at 18 South Avenue waving and smiling at us as we approached. As she welcomed us into her home we were met with a heart of love, a hug, a warm meal or coffee at her blue kitchen corner table. Through the years our family (George and Joan Petrillo's kids, grandchildren and great grandchildren) shared so many happy days together with Uncle Tony and Aunt Milly. With ten children between them there was always fun, food and laughter. Each year Uncle Tony and Aunt Milly hosted a Petrillo family reunion like no other! How did they do it all? Together is how they did it with the loving support of their children, grandchildren and great grandchildren. Aunt Milly treasured her family and made spending time together a priority. Having a family of 7 of her own she somehow always made room for more at her table. No one went away hungry and she gave each person the gift of her time and took an interest in all we were doing. She truly had a gift of love and spent her life in loving service to others. When you left her presence you felt so nurtured, so loved. To our dear cousins, children and grandchildren no Mom or Grandmother could be prouder or love you more than she did. You all with your Dad were her hearts song! Her face would light up with such joy as she spoke of each of you. Uncle Tony, you and Aunt Milly shared a love few ever experience. U shared in life's joys and sorrows together and the love you share is palpable. Watching you love and support one another as you raised a beautiful family and built a life in Mount Holly and Ocean City meant seeing you sacrifice for one another and your family. You were each others source of strength in all u did. Our hearts were so moved to to see you give daily the greatest dimension of love possible as u cared for her throughout her battle with Alzheimer's. With your loving care and your children and

grandchildren's too you all brought her love and support in her greatest hours of need. Each of you giving her the priceless gift of yourselves. Alzheimer's could steal so many things from her but could not steal her Mother's heart of love. Uncle Tony, as she leaned on your shoulder, as you sat together on your blue couch, as you fed her and made sure she had all she needed you gave her the love and security she needed to go on. You truly were the wind beneath her wings Uncle Tony and family. Love is truly the greatest force in heaven and earth and the love you all share is forever and lives on for eternity. We know she and beautiful Babs are together and praying for you all. Jesus is holding her in His arms of love and He is holding each of you in His care. We love you all dearly!

“*Aunt Millie is & always will be my favorite aunt. She was like a second mom to me. I will always remember her warmth, her smile & her love for everyone. Mostly I will miss the miles we road bicycles together in OC searching for the ultimate garage sale, or just a quick ride on the boardwalk. After that we would sit on the porch, have some coffee & just enjoy the morning together. With Sincere Sympathies to all of my cousins & their families. Especially to my uncle Tony, who is & always will be my favorite uncle.*

“ Our thoughts & prayers are with the entire Petrillo family. Becky & I were sitting at home last night reminiscing about Millie's infectious smile. No matter where we would see her , she would light up with that smile. I would see her in the RV cafe while having lunch with Tony, at the Red Lion Inn, grocery store, or just seeing her in her driveway as we passed her house on South Ave. She was a special person. RIP Millie

“ Oh, so sorry Tony and family. So many fond memories of Millie and the Petrillo family. Our family spent many, many summer vacations renting from them in OCNJ. My kids, and my Mom (all of us) always looked forward to our time spent there. As our kids married and had kids we continued to spend time at the Petrillo's place. We always felt like family to the Petrillos. As we just returned home today from a week's family vacation in OC we spent time remembering our many, many years at their shore home. She was always smiling. This picture of her is perfect. Such a lovely lady. She sure will be missed. She is with her Lord now. May God comfort her family at this difficult time. Sending our love.
