“ *My Dear Aunt Moona,*

Every memory I have of my Aunt Moona is precious. She was a wonderful caring beautiful woman who lit up a room by simply walking in to it. She was kind, gentle and such a joy to be around. I will always cherish the memories of her since I was a little boy. There are so many, I could write a book. She was my second mother and I will miss her so much. You will always be in my heart and never out of my thoughts.

Love always,

Your Nephew Dennis
