Monica Maria Rhene Hopson - May 26, 1971-July 17, 2019

Monica Hopson, a fierce single mother of two, awesome sister, best true friend of many, passed on after an incredible ten-year battle with metastasized breast cancer and MDS. She was brave and inspiring to all who knew her.

Monica was a tireless fighter, incredible mother, RVRHS hall-of-famer, two-sport Division 1 athlete for Villanova and dedicated worker who always loved her teammates, her job, her co-workers and the children she served, and never complained.

Monica will continue to watch over her sons Noah and Adrian. Her deceased parents, Ernest and Anna Hopson and her siblings were and will always be proud of her. She will be missed by many special friends who provided never-ending love and support.

A memorial service will be held on Friday evening, July 26 at 7 pm at the Perinchief Chapels, 438 High St., Mount Holly. Friends may visit with the family on Friday from 4-7pm at the Funeral Home. In lieu of flowers, please make donations to the "Monica Hopson Family Trust" 4746 Tennyson St., Denver, CO 80212, in order to continue to help support Noah and Adrian.

“ Monica was a tenacious woman who fought relentlessly to live. She and I would have late night conversations about our faith and trust in God. I would send her beautiful songs about the love of Jesus, through it all. Her favorite songs were "Jesus You Are the Center of My Joy", "Be Still My Soul", "Stand" and "Total Praise". I know "I Can Only Imagine " by Tamela Mann is the music surrounding her now. She would always say at the end of our listening to the words and music, "I needed that". Thank you, Monica for being a devoted mother to my grandson, Noah. You will always be remembered as an inspiration and a faithful warrior. God Bless to all who loved you and especially to your family and children. Celebrate your journey into the Kingdom. Love, Raymie

“ It is so hard to find the words to express how sad I feel about losing Monica. Deepest condolences for her family, but especially for Noah and Adrian, who she loved SO MUCH! A new star lights the night sky....and it will shine (and watch over you both) FOREVER....Thinking of you and wishing you both PEACE" - Love, Cathy, Frank, Michael and Jennifer (Thiel)

Trying to edit.... but meant everyone should love the way Monica loved her family. And when she spoke of her children how her face lights up.

“ We lost such a very special person as you well know. I was so pleased to call her a friend. She was beautiful both inside and out! She was so kind and willing to help others even while she was going through so much. We all need some of her strength to move on now. She will be so very missed!
Your family will continue to be in my thoughts. Wishing you all much strength at this very difficult time.
Noah and Adrian you were her dearest loves! You meant so much to her as you well know. Take good care!
Very sincerely,

“ *Monica I first met you when I started a position at Westampton and I was the case manager for children coming from early intervention to preschool. We became fast friends with great respect for each other. I then had the privilege to know Adrian when I went to work at Eastampton. You always had a kind smile and helped every parent . You never had a bad word to say and truly gave inspiration to many. I am so sad that you are gone but your really not. I will carry you in my heart and remember you and your kindness always. Your children are in my prayers.*

“ *My first memory was at RVRHS open house for our sons, Noah and Kevin. There was this woman sitting behind me and the sound of her laughter turned me around. Then when I saw the face that belonged to that sound...oh my goodness. Talk about a woman who truly glowed from the inside out. Her laughter was contagious and I began to laugh, too (not knowing what was funny nor even caring). We introduced ourselves and I was so excited to find out that our boys were friends. Monica was one of those rare gems that you find that nothing else can compare to. I feel so honored and blessed that God allowed our paths to cross. Rest easy, my friend.*
