“ I found out last week that Nancy had passed. I was stunned. I went to Sacred Heart school with her and fell in love with her in 6th grade. I have always loved her. I don't know if she started smoking to get copd.Damned tobacco. My heart is broken. She was such an angel when I knew her. I wish they would post more pics of her or videos. I remember her 6th grade pic was so beautiful. My condolences to her family.

“ *I worked with Nancy for many years at the Acme. We had lots of laughs and spent time together outside of work. I have thought of her and her family often over the years. I hope she is at peace and that her family find solace in the memories they have made. Rest easy my old friend.*
