“ *My sincere condolences to Nancy sweet loving family. I am going to miss my precious friend. We had a lot of laughs and shed some tears together too. I will miss our marathon shopping trips for "bargains", our summer concerts that we had to have just the right seats for and our time sitting on the beach sharing our dreams and experiences eating grapes and sipping cool drinks. I will always think of Nancy when I hear Wildwood. Nancy always was cheerful no matter what she was facing and felt a hug made things better. So many hugs to you Nancy and I feel your hugs too. Rest well and be with your "Big Guy".*
