“ Nancy, I will always remember you full of life, full of laughs, full of musical knowledge and what a great friend you were. I pray you're traveling in your afterlife. You were going to be Lynn 's guardian had anything happened to me when she was little and I always appreciate the fact that you were willing to take on that responsibility should I have passed early. I Love you.

“ *I was saddened to read of the loss of your loved one. When we lose our loved one in death it is the most difficult time in our life. However, there is loving comfort in Psalms 55:22 to “throw your burden on God and he will sustain you..” Yes, no matter what you are facing God is there to help you get through it. May you continue to have the love and support from family and friends. I sincerely hope that this Bible message brings you a measure of comfort during this difficult time.*

“ *I was very saddened to hear of the passing of Nancy. I met and worked with Nancy and her father at the Ft. Dix Education Center in 1982. Upon my leaving to join the Department of Corrections in 1985, I maintained contact with Nancy and persuaded her to join me as my secretary in 1988/1989. She was an excellent, very dedicated secretary. I extend my heartfelt condolences to the Pena family. Nancy is now in the loving arms of God; no more suffering. May each of you find comfort as you dwell on the good times you shared with her. I will continue to pray for each of you during this difficult time. Patty Friend*
